[December Newsletter 2012](#)

With the Christmas time of year just around the corner we would like to take this opportunity to wish everyone a safe and happy festive season. We have appreciated everyone's support over the last year and have enjoyed sharing your building, renovating and decorating experiences.

[Livos Australia Christmas hours](#)

We will only be taking a short time off over the festive season, so the showroom will be closed on the 24th, 25th & 26th of December as well as the 31st and 1st of Jan.

While we will be open all other days however there is some slight modification to normal hours, being 9am-4pm, if you are travelling a long distance please call to ensure someone will be available to assist as we would not like to disappoint you.

Sharing success stories

The new Linn Bathroom oil is proving very popular, one client has embraced it so much he is using it throughout his bathroom "Bathroom panels have been coated and we are happy with how they look. Feel lovely to the touch as well."

If you have a project either on the go or finished we would love to hear about it.

Would you like to win?

We are excited to announce the introduction to our seasonal draws- this is a fun way to give back to those who support the beliefs and ethics of Livos and our natural plant based alternatives. While many companies offer draws at expo and shows this is often our first contact. However we always value the support shown by clients, therefore we have a number of ways to ensure everyone can enter. You can like us on [facebook](#) , join our [newsletter list](#) , fill in form at an expo or showroom or pass on a small quote relating to your feedback with the products or our service. Our spring draw is worth \$400 and can be used on Livos Products or Anro Services. The winner will be drawn on the 4th of December. I look forward to seeing the most popular way of entering. After our spring draw we will move on our Summer draw, the prize this time will be the ever popular Alis decking oil in a stain of your choice this 5litres is valued at \$316.55rrp and covers approximately 65 m2.

If you like to be informed on any new information

follow us on facebook 

and twitter  for snippets as they come to hand.

Kind Regards and best wishes from the Livos team.

"What would have happened if it had been three Wise Women instead of three Wise Men?"

They would have asked directions,

HINTS and TIPS

Do you have a question.

After years of wear and tear what can I do to get my floors looking like new again? A great benefit of using oils on your floors is the ability to easily rejuvenate the area economically and with little disruption. For more details please go to our "[Tips and Tricks](#)" pages. If you have a question that we could follow up for you please send it to info@livos.com.au

1. Royal Auto November edition

The beautiful Agrarian kitchen is featured in the latest edition of the Royal Auto Victoria. Their timber floor in the kitchen school was treated 4 and a half years ago, over that time it has had many budding chefs (over 3 000) test its durability and quality. With our recent trip to Tassie we gave it a quick rejuvenation and it looks fabulous.

*arrived on time,
helped deliver the baby,
cleaned the stable,
made a casserole,
and brought practical gifts."*

P.S. if you know anyone else that may benefit from the information that will be shared during the week, please feel free to pass this email on to them.

POINT OF INTEREST

Did you know?

Healthy Product Declaration Open Standard

In the USA, the Healthy Product Declaration Open Standard is a format for the reporting of product content and associated health information for individual building products and materials.

The goal is transparency. Livos has been openly declaring their products since the early 1980's. When do you think will Australia follow suit?

EXPOS

A date for your diaries

With many enjoying the festivities and a break during the warmer weather all is a bit quite on the expo front for the beginning of the year. However we expect next year will offer many opportunities to see the products in action across the country.

Recently we attended

Timber and working with wood expo Melbourne
We were very proud to be a part of the Carrolls woodcraft stand at this event on the 19, 20 & 21 October 2012 Melbourne Showgrounds, Ascot Vale. It was a wonderful opportunity to speak with DIYs through to professionals with the added bonus of undertaking some demos throughout the day.

Tasmania's Sustainable Living Festival
Another beautiful weekend in Tasmania on the 10 & 11 November at Hobart's Waterfront. This event has the best views and it is very exciting to meet so many who share a true passion for the environment and a healthy approach to building.

Still to come

DIY workshops –

[click here for more details](#)

Ways to create a Healthy Sustainable Home.

Due to the popular demand of our trade nights we are in collaboration with other professionals in the field and are holding an information evening especially for the DIYers who are interested in creating a healthy sustainable home. This workshop will enable direct contact with professionals such as architects, interior designer, double glaze window manufacture plus others. Suitable for those in the process of planning, building or renovating now or in the future. See website www.livos.com.au for more details. Although the date is yet to be confirmed places are limited, so please register your interest early by replying to this email or through our website.
